*I initially chose this camp because of the wooded property. Feels like a real camp. And I thought it would be a safe environment for my child who, at the time, had developmental delays. Every summer my kiddos look forward to camp. They love the counselors, all the activities and have a much stronger relationship with God and Jesus. (Day Camp parent)*

*My son loves camp, he always has fun, spends time outside, makes new friends, and Camp encourages independence. (Day Camp parent)*

*Safe, great camp. My children love the Bible component. We are not church-going people so I am surprised that my children would think that. (Resident Camp parent)*

*This is the week of the year my child looks forward to most. She loves every minute of it. She made so many wonderful memories there, as I did when I was growing up. (Resident Camp parent)*

# the power of camp

Children and youth experience increasing stress in their everyday life and growing pressure to do well in school, while quality time spent with peers and influential adults is rapidly decreasing. Summer camps are a powerful tool to help kids decompress, make true friends, go on adventures, and experience the beauty of nature. Campers can try and err without feeling like a failure. They can learn new skills, find real-life role models, and meet people from different backgrounds. Camp is home away from home, where miracles happen every day.

## Camp Men-o-lan

Men-O-Lan is a traditional Christian camp that has been serving campers for over 75 years. Through our programs, children and youth can relax, enjoy nature, improve their life skills, and learn about God, while making true friendships and lasting memories. Our carefully selected and trained counselors are not just supervisors, but friends, mentors, partners in adventure, and great role models to young people.

### Family Camp 2nd-8th grade + parent

Family Camp's goal is to reconnect parents with their children, to help renew relationships, to rekindle affectionate interest, and to strengthen their sense of belonging. By playing games, accomplishing challenges, and participating in small group devotions, we create many new memories together. Girls can sign up with their mom (and

in special cases, grandmother), and boys can sign up with their dad (and in special cases, a grandfather).

**Activities include\*:** zip line, slippery slide, pool time, big group games, climbing tower, giant swing, canoeing, small group activities, Bible time, worship, camp fire

*\*Activities vary by age group*

### Aged out of Camp? Come and serve with us!

Every January we start recruiting our summer staff for the new season. Counselors, life guards, leadership, kitchen crew, activity leaders, Bible teachers, nurses – they are the key to the success of our programs. If you feel called to work with children this summer, check out the employment page on our website for open positions! You will be blessed, and you will be a blessing.

### Camp is not just for campers!

**Guest Groups:** Camp Men-O-Lan has facilities that are available year around for group retreats, family reunions, outdoor schools, corporate events and more. We would be happy to give you a tour of our property. For availability and pricing, please contact Guest Services at: [guestservices.menolan@gmail.com](mailto:guestservices.menolan@gmail.com).

**Events:** Camp Men-O-Lan invites everyone in the community to our special events throughout the year! To find out more about Summerfest, Harvestfest, Sporting Clay, Senior programs, Christmas events, and camper reunions, check our website at [www.menolan.org](http://www.menolan.org) or call the office at 215-679-5144.

*A place to grow... A place of lifelong friendships... A place where memories are made... A place to belong*

### Resident Camp 4th-12th grade

Our Resident Camp is a safe haven where campers from all backgrounds can recharge and refresh, and be who they were meant to be. We want to see children thrive, grow, succeed, and bond with peers. This is why we create opportunities to try new activities, learn new skills,

work in teams, discuss important matters, play games, and make countless memories.

**Activities include\*:** zip line, slippery slide, pool time, climbing tower, big group games, archery, giant swing, canoeing, special events, Bible time, worship, camp fire

*\*Activities vary by age group*

### Day Camp K-8th grade

The Day Camp program provides youth, who don't want to stay overnight, with the classic outdoor camp experience. The daily activities, games and crafts correspond with the theme of the week. We provide a variety of opportunities where kids can learn new skills, grow in their confidence, and overcome

challenges. Our campers learn strong values like team work, integrity, and respecting nature.

**Activities include\*:** zip line, slippery slide, pool time, big group games, climbing tower, archery, giant swing, canoeing, thematic events, Bible time, worship

*\*Activities vary by age group*
