

# Youth Leadership Program

## Participant Agreement

I declare that I applied to participate in the Camp Men-O-Lan Youth Leadership Program because I want to be a part of this experience and make the most of it. I understand that it is a training, ministry and work, so I will have responsibilities, tasks, and assignments, and I will be evaluated by staff members I am working with.

I hereby commit myself to carry out all of my tasks and complete my assignments to the best of my abilities and with a positive attitude. I will show up on time every morning when I am on duty. I promise that I will be a good representative of Camp Men-O-Lan and the Gospel before our campers and their families, whether I am on camp grounds or off-site. I agree to conform to the policies, rules and regulations of Camp Men-O-Lan in all respects.

I understand that if I fail to carry out my responsibilities or violate Camp policies, I may be suspended or terminated from the Program.

I understand that background checks are required for each employee and volunteer who is on site while camp is in session. I will obtain these forms and return to the Camp Office at my earliest convenience.

By signing this acknowledgement, I agree to all of the above statements, and

**I become an important, valued member of the Camp Men-O-Lan Team.**
