

**Camp
Men-o-lan**
Life Change through Christ.

Tribute

2021

“My counselors were so supportive and spiritually uplifting. I grew very close to them this year because of that.”

Camp Men-O-Lan would not exist without
God's power, guidance, and provision.
It is an honor and privilege to be chosen by Him to
serve here. In every season He brings together an
exceptional group of people through whom He
accomplishes His purposes and brings significant
change in the lives of our campers, families, and guests.

This booklet is a tribute to the work He has done and
the Team through which He has chosen to do it in 2021.

“Camp helped me understand Christian fellowship,
and I made new friends.”

“The counselors were really wonderful. My son enjoyed every day and came back with wonderful stories. I enjoyed hearing about the Bible teaching and songs he would come home and tell us about. He would come home singing all the songs I had learned at camp as well. We are very glad as a family to have sent our son to Camp!”

“We couldn’t have asked for a better first year camp experience! We were nervous to send our child somewhere new/unfamiliar, but the counselors and staff were so friendly and accommodating. I loved that when I picked him up I could see the counselors interacting and involved with the children, rather than simply supervising. He learned so much (Bible stories, songs, etc) and experienced so many cool things (fishing, wood crafts, games, and the beloved slippery slide!).”

“My counselors were very nice, strong and helped me grow

"Our kids had a fantastic experience this summer at camp. We are grateful for the ways camp stretched them out of their comfort zones to build relationships and try new adventurous things. Even more, we're grateful for the ways they grew in their relationship with God at camp. The camp staff were intentional, fun, and thoughtful. Our kids came home telling funny stories for days and have said more than once that camp was the highlight of their summer."
