EXPECTATIONS BY CORE VALUES

CARING

Our Lifeguards demonstrate with their actions and words that they truly care about Men-O-Lan's ministry and everyone in it, including our campers, camper parents, and staff.

NURTURING

Our Lifeguards support the nurturing nature of specific activities at Camp by ensuring safety and the well-being on children and staff around our water fronts. They support counselors when assigned to clean common areas or help with camper groups.

RESPECTFUL

With every word and action our Lifeguards show respect to campers, staff, parents, and themselves, and express that they love and honor Jesus.

COOPERATIVE

Our Lifeguards serve under the leadership of the Head Lifeguard, and they work together to ensure safety at every water-related activity including evening pool parties. They tackle cleaning tasks as instructed by Camp Leadership. They also work with the Guest Services Director to serve weekend guest groups.

FUN

Our Lifeguards promote fun and safe activities around our waterfronts and ensure that equipment is available and in great condition for these.

EXCELLENT

Our Lifeguards carry out their tasks meeting the highest standard of safety and cleanliness. They aim for excellence to represent our excellent God.

SAMPLE LIST OF TASKS

This year we combined two part-time positions into one full-time position. During the afternoon, and occasionally for a short period in the morning, our Lifeguards guard all waterfront activities including the pool, lake and the water slide for both Overnight and Day Camp. They may be asked to guard for an evening camper pool party a couple of times during the summer. They are safety-oriented, have great communication skills, and are flexible. The Lifeguard team cleans the waterfront areas as well as common areas at Camp like the bath houses, Auditorium, Game Room, and the Staff Lounge. They receive room and board. Lifeguards must be Red Cross Lifeguard certified and have at least one year of lifeguarding experience. They may be asked to guard for guest groups on weekends for additional pay but are not allowed to take comp time for weekend work.
